

OCS Test to Stay Parent Consent Form

If the parent chooses Alternate School Quarantine: Test to Stay in School, they must give consent for testing and agree to the following:

- a. Daily testing for seven (7) days after exposure*. Results from home test kits will not be accepted.

- b. After the first test is completed, the student can ride bus, attend school and participate in extracurricular activities and sports while wearing a mask. Student can participate in other extracurricular activities and sports with a negative COVID test each day for seven (7) days after exposure and the student remains without symptoms. This includes weekends on days the student is participating in sports or extracurricular activities.

- c. Daily symptom screening for seven (7) days after exposure.

- d. Wear a mask at all times while on the bus, in school and while participating in sports and extracurricular activities for ten (10) days after exposure.

- e. Monitor for symptoms through day 14. Isolate at home immediately if COVID-19 symptoms develop.

*If the 7th day falls on a weekend, the student must be tested the next school day, before returning.
