

Beginning with the start of the 2021-2022 school year, Lenawee County schools, including Onsted Community Schools, have transitioned to a new student information system provided by Infinite Campus. Through Infinite Campus' Campus Portal, parents can obtain information about their student's class schedule, school attendance, grades, and other school records.

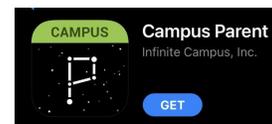

How to Access Infinite Campus' Campus Portal

To access Infinite Campus' Campus Portal to obtain information about your student(s), please follow these steps, which are necessary to create your individual parent account in Infinite Campus:

1. Visit the following website, which has been created just for Onsted Community Schools: <https://onstedmi.infinitecampus.org/campus/portal/onsted.jsp>
2. Select **Campus Parent**.
3. Select **New User?**
4. Enter your unique Activation Key: **[Call building Guidance Office]**
5. Create your unique username and password. **Please make sure to save this information as it will be necessary to login to the system.** Do not share this information with anyone else, including your student(s).

If you do not have access to an internet access and/or a device, you may obtain information about your student's school records by contacting his/her teacher or school directly.

If you wish to have access to Infinite Campus via a smartphone or another mobile device, you can search for the Infinite Campus Campus Parent app in your app store.

If you have any questions about Infinite Campus or are having trouble establishing a parent account, please contact your student's school.
